BESKRIVELSE

Engelsk udgave af Mogens Ruds bog om Bayeux Tapetet. The Bayeux Tapestry has been called 'the oldest strip cartoon in the world*'. It tells the story of dramatic events that took place 900 years ago. The Tapestry is reproduced here in full and accompanied by a lively description of its own history, contents and principal characters. Bayeux-tapetet i sin fuldstændighed. Hver scene i den dramatisk handling, der afsluttes med Slaget ved Hastings i 1066, gengives på et opslag i bogen med den tilhørende originale tekst – netop som kunstneren i sin tid kunne have ønsket det. De smukke og handlingsmættede billeder præsenteres af arkæologen Mogens Rud.
